

ula or King's Evil, Lumbur Abaccas, Hip Dis-case, White Swelling, all Discases of the Skin, Discases of the Liver, Discases of the Kidneys and Spine, Chronic Sore Eyes, Scald Head, Salt Rhoun, Scurry, Chorca or St. Vitas' Damee, Asth-ma, Jaundiee, Chronic Rheumatism, Chronic Debility following Intermittent or Malarious Fevers, and all discases arising from the ex-cessive use of Mercury. The Vegetable alterative is offered to the public a radical curve for the abayes manual diseases.

as a radical cure for the above named diseases arising wholly or in part from importly or vitta tion of the blood—the basis of its success rest tion of the blood—the basis of its eneces restupen the well-known alterative properties of Spanish Sarsaparille, which is imported expressly for the compounder of this medicine in all its purity, it is then, with the addition of other medical plantallerative and tonic in their action—manufactured with great care, and concentrated in a palatable form, making by the combination one of the best Alterative Medicines ever used. It is mild, yet active in its operation; it removates, while it removes the cause of disease, and may be used by all with confidence and safety.

It is an Alterative Tonic and is peculiarly adapted to malarious sections of the country—it craft.

It is an Alterstive Tonic and is peculiarly adapted to malarious sections of the causing—it cradicates thoroughly all traces of chrome dability which so often follows an attack of severe or protracted cases of international favor. In the Isaath and West it has been thoroughly tried and has never failed to restore the invaluates health, sometimes after all other remedies have failed. In discases arising from an excessive use of mercury or other mineral medicines, it is unsaring assect in the thorough and prompt manner in which it cradicates all discases matter from the blood and glandular system.

In all entaneous discases it nots like a charm, and in such discases as Scald Head, Salt Rheum, and Skin Discases of every kind, it is without an

and in such diseases as Scald Head, Salt Rhenm, and Skin Diseases of every kind, it is without an equal in its curative effects.

In the combination there are remedies that not directly on the Liver and Kidneys, and therefore it proposes to relieve these organs when in a torpid or inactive state. In relieving these and other organs, and being a purifier of the blood, it claims to be a cure for that loathsome disease. Scrofdla. The Alterative is put up in pint bottles. Accompanying each bottle is a pamphlet setting forth the nature and character of the several diseases for which it proposes to be a cure.

for which it proposes to be a care.
All agents and others who have the Alterative All agents and others who have the Alterative for sale are supplied with these pamphlets for distribution. Ask for our and read it.

This medicine has been extensively used by many physicians of enhance throughout the South and we have letters from many of them, seenking in the highest terms of its action as an Alterative Tonic Remedy. We are at liberty to refer to Dr. King, of Louisburg, N. C.: Dr. Chilborne, of Petersburg, Va.: Drs. Wilson and Sansters, Marianna. Pla.: Drs. Blunt, Hart, and Butler, Greenwood, Fla.: Dr. C. A. Hentz, Quincy, Fla.: Dr. E. M. Fant, Bankston, Miss., and many others.

J. H. ALEXANDER. Fount'n Hill Male and Female Academy.

FOUNTAIN HILL, McMinn COUNTY, TENN. J. H. BISHOP, Principal. THE FOURTH SESSION OF THIS INSTI-tution will commence on Monelay, the 1st Au-gust, 1859.

RATES OF TUITION.

Propuble one half in informer, bulliage at ch. Seering: Orthography, Reading, Writing and Arith-

Academy, (washing and lights extra.) \$1,25 to \$1,50 \to \$81,50 \to \$week.

It is very desirable that all who design entering as pupils be present on the first day of the session. No student admitted for less than half session, and no bednetton for lost time except in cases of prestracted sickness. No student admitted without a ticket from H. L. Shulfs, Treasurer.

The undersigned, Trustees of Fountain Hill Academy, are happy to amosine to the public, that, after a fair experiment, they can say with confidence that the advantages afforded by this institution to students desiring a thorough or a business substation, are not excelled by those of

institution to students desiring a thorough or a business education, are not excelled by those of any similar school. The plan of instruction is substantially the same as that pursued at Emory and Heavy College, Va., where the Principal obtained his education. There is in connection with this institution a Literary Society, and a well elected Academical Library, Surveying Instruments, &c., all of which afford advantages of a superior kind. In addition to these, the advantages of location recommend this institution very highly to those wishing to send. It is situated a quarter of a mile hast of Moure Creek Depot, surrounded by a beautiful grove, and near an ex-

a quarter of a mile Last of Monse Creek Depo surrounded by a beautiful grove, and near an ex-cellent spring. Judging from the past, its friend predict for it a fators full of prosperity and us fulness. This will be a permanent School. YELSKERS.

HOWARD ASSOCIATION.

HOWARD ASSOCIATION,
PHILADELPHIA.

A Benevolent Institution, established by special endeament for the relief of the sick and distressed, affected with Virulent and Epidemic Diseases.

The Howard association, in view of the awful-destroetion of human life, caused by Sexual Discurse, and the deceptions practised upon the unfortunate victims of such siscuses by Quacks, several years ago directed their Consulting Surgeon, as a charitatible act worthy their name, to open a Dispensary for the treatment of this class of discases, in all their forms, and to give Medical atters gratia, to all who apply by letter, with a description of their condition, (age. accupation, habe is of the, &c.,) and in cases of extreme poverty, to FURNISH MEDICINES FIRE 'F CHARGE. If

most approved wedgets treatment.

The Directors of the Association, in their Amonal Report upon the treatment of Sexual Diseases, express the highest antifaction with the survess which has attended the labors of their Surgeons in the cure of Spermaturchon. Sentiad Weakness, Genorrhoop, Gleet, Syphills, the vice of Omanism or Seth-Abuse, Diseases of the Kidneys and Bindler, &c., and order a continuance of the same plan for the cavaing year.

The Directors, on a review of the past, feel assured that their labors in this sphere of benevolent effort have been of great heafth to the afflicted, especially to the young, and they have resolved to devote themselves, with renswed sent, to this very important but much despised cause.

An admirable Report on Spermatorches, or Seminal Weakness, the vice of Omanism, Maxumbation, or Self-Abuse, and other diseases of the Sermal Organs, by the Consolting Surgeon, will be sent by mail, (in a sealed convelope, free of charge, as not reacily of two stamps for pastage. Other Reports and Tracts on the nature and treatment of Sexual Diseases, diet, &c., are constantly being published for gratuitous distribution, and will be sent to the afflicted. Some of the new run-dies and methods of treatment diseavered during the last year, are of great value.

Address, for Report or treatment, Dr. J. SKILLIN HOUGHTON, Acting Surgeon, Howard Association, No. 2 South Ninth street, Philadelphia, Pa.

Athens, March L 1859. Saddle, Bridle and Harness Manufactory

Saddle, Bridle and Harness Manufactory
West Side of the Public Square.

**THE subscriber returns his sincere thanks to the
public generally for the very liberal patronage he
has heretofore received, and hopes by industry, perseverance and attention to his business to merit a con
tinuance of the same.

He keeps constantly on hand an assortment of Sadsiles, Bridles, Carriage and Buggy Harness, and every
thing else in that line, made by the best of workmen.

He would also inform his frien's that he has just
opened a lot of Saddlery, such as Enamelled Leather,
Hog-skins for seating, Pad Skins, Morocco, Fatent
Leather, Stirrup Irons, Bridle Bits, a fine assortment,
Mule Bitts, Buckels, Swaps, Whips for Two Horse Wagon,
Harness, Trace Chains for Two Horse Wagon, Saddle Trees, &c., &c., all of which he offers on accommodating terms. All orders punctually attended to.—
Please call and examine for yourselves.

OUR STOCK WILL BE FOUND TO EMbrace a larger and more general assortment than is usually kept in this section, and we intend to keep it full, and equal to the first class houses in East Tennessee. We make our purchases largely for each, and principally in Original Packages of Direct Importers and Manufacturers, which enables us to sell at wholesale much lower than any similar house in East Tennessee. Physicians and country merchants will find it decidedly to their advantage to give us a trial. All articles sold by us are warranted to be of the purest quality, and should at any time an article prove unsatisfactory we beg it to be returned at our cost, as it is our intention to deal only in

Pure Drugs. All orders will meet with prompt attention.—
Physicians' Prescriptions and Family Recipes will receive the greatest care and attention in their compounding, at all hours.
